Aaron,

Per our phone conversation here is the information I have for our draft. Thank you for your help.

We would like to create a new item number under s. 86.195(2)(ag). The item would read "36. USH 12 from CTH P in Walworth County to Tri County Road in Rock County"

Within the same draft, we would also like to include an amendment to item number 21, under the same section. This item would be amended to read "USH 12 from the state line in Walworth County to the junction with STH 67 north of Elkhorn."

Let me know if you have any further questions. As I indicated on the phone, we will be doing a joint draft with Senator Robson's office. Thanks

Heather Shea

- 1 AN ACT ...; relating to: authorizing specific information signs on certain portions
2 of USH 12. ✓

Analysis by the Legislative Reference Bureau

Under current law, the Department of Transportation may authorize the erection and maintenance of specific information signs on designated highways under its jurisdiction. The signs indicate that certain businesses located near a highway are available to provide gas, food, lodging, or camping to motorists. Currently specific information signs are authorized on USH 12 from the state line in Walworth County to STH 11 at Elkhorn.

(f) This bill extends this authorization on USH 12 beyond STH 11 to STH 67 north of Elkhorn. In addition, the bill authorizes the erection and maintenance of specific information signs on USH 12 from CTH "P" in Walworth County to Tri County Road in Rock County.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

- 3 SECTION 1. 86.195 (2) (ag) 21. of the statutes is amended to read:
